Dear [redacted]

On behalf of Mr. Dulles, I should like to express our appreciation for your letter of 23 April, and for the enclosure, "Free Economy vs. Capitalism."

We have read your proposals with interest. However, inasmuch as your suggestions concern changes in the economy of the United States, they fall outside the responsibilities of this Agency. Therefore, we do not believe that it would be appropriate for us to comment on them.

We suggest that you refer your articles to a governmental group charged with the analysis and review of domestic economic policy, such as the Council of Economic Advisers.

Thank you for your interest.

Sincerely,

25X1
